# Crossroads Astronomy, Science and Technology Expo Registration

Be part of history at the heart of the eclipse crossroads of America by reserving your vendor area at the Crossroads Astronomy, Science and Technology Expo. Located in the center of the public viewing venues hosting 50 thousand visitors on the SIU campus, the expo will be held the weekend and day of the Great American Eclipse in the SIU Arena. Millions across the US are expected to travel to the path of totality to see the eclipse which reaches its point of greatest duration just a few miles south of the city of the SIU campus. Expected viewers of the webcast / broadcast planned from the SIU campus in cooperation with WSIU and NASA are in excess of one billion people. The expo will highlight organizations and businesses that specialize in solar, astronomy, science, and new technology. This expo is a unique opportunity to showcase your products and services to thousands of people from across the world with a passion for your products and services.
