2017 - 2024

SOUTHERN ILLINOIS

Eclipse Crossroads of America

On the centerline of both the 2017 and 2024 total solar eclipses, SIU Carbondale will again experience totality for 4 minutes and 9 seconds on April 8, 2024 at 1:59 pm.

The Crossroads Solar Eclipse Festival will be a 4 day campus wide festival celebrating this event with a variety of activities. Be part of this history and experience the eclipse at SIU.

For more information and a complete schedule of activities, go to:
